Subj: Special Photographic Intelligence Report 002-59, LAOS-THAILAND (CONF.) (FICPAC SPIR 002-59) (U); promulgation of

1. This publication provides general coverage of LAOS-THAILAND and the latest specific intelligence where this varies from earlier more detailed studies.

2. Suggestions for the improvement of this publication are encouraged and should be submitted, via the chain of command, to Commander-in-Chief U. S. Pacific Fleet, with a copy to the Commanding Officer, Fleet Intelligence Center Pacific. Commands requiring additional copies or desiring to be added to the distribution list should address requests in the same manner.

3. This document is non-registered and will be stowed, handled, and transported as prescribed in OpNav Instruction 5510.1B, Security Manual for Classifying Matter. It contains information affecting the national defense of the United States within the meaning of the espionage laws, Title 18, United States Code, Sections 793 and 794. The transmission or revelation of its contents in any manner to an unauthorized person is prohibited by law.

4. Extracts from this document may be made provided the information is given the security protection required by the Security Manual for Classified Matter.

5. The information contained in this document shall not be disclosed to foreign nationals without the express approval of the Chief of Naval Operations (Director of Naval Intelligence).
